### County Executive Craig Issues Statement on State Sen. Nancy Jacobs's Decision Not to Seek Reelection

(Bel Air, MD) - - Harford County Executive David R. Craig today issued the following statement regarding the decision by State Sen. Nancy Jacobs (District 34 - Harford/Cecil) not to seek reelection:

*"With Sen. Nancy Jacobs's decision not to seek reelection to the District 34 seat, Harford County will be losing a strong advocate in the state senate. She has been a source of common sense on the major issues facing our state, and her voice will be missed.*

*"While it will be a shame to lose such a strong ally in the Senate, no one can fault her for her desire to spend more time with her family and to enjoy those things in life that the schedule of a legislator too infrequently permits. I am happy for her, and she can look back on her time in the General Assembly with pride.*

*"Nancy and I served the people of District 34 together, and I was very pleased that she succeeded me in the state senate. Through her work on bills addressing gang violence, protecting the rights of parents, sponsorship of measures protecting our children's safety such as 'Jessica's Law,' and fighting to uphold the second amendment, Sen. Jacobs has left her mark in the General Assembly and been a strong advocate for the interests of Harford County.*

*"On behalf of the citizens of Harford County, I thank my friend Sen. Nancy Jacobs for her years of tireless service to the people of Maryland, and I wish her well in the next chapter of her life."*
